CIAOFIAT
1800 3428
00

CIAO FIAT is the new single freephone number for customers and prospective customers – 1800 3428 00. The number is easy to remember; it actually corresponds to the letters of the word 'FIAT' on the keypad of your telephone (1800-FIAT 00 becomes 1800-3428-00). CIAO FIAT provides you with roadside assistance and information services – everything you need to know about our models (versions, options, promotions, prices), our services and about the FIAT dealer network, and you can book a test-drive. The call is free from both landlines and mobile networks.

Trim levels and options may vary in response to specific legal or market requirements. The information in this publication is purely indicative. Fiat reserves the right to make any changes to the models described in this publication at any time for technical or market reasons. FIORINO

GOING PLACES WHERE OTHERS CAN'T GO.

Compact on the outside, spacious on the inside, and above all economical. It may be one of Fiat's smallest commercial vehicles, but no job is too big for it. Designed to be agile enough to negotiate busy town traffic, the Fiorino will take your business places it has never been before. It is nippy and handles like a city car, but is as comfortable on main roads as it is in city traffic, just like a fully-fledged van. The Fiorino puts the pleasure back into working in town.

FREE MOVEMENT ADVOCATE.

Things are looking up for those who have to drive for work: here comes the Fiorino, the little van for which no job is too big, because the only limits are those you set yourself. Easy to drive, park, load and unload, the Fiorino can negotiate both big city streets and narrow town centres, the only van that can take you places where others can't go. It will go wherever you want.

The sliding side door (optional on base versions) is perfectly set into the side, with a vertical handle that is easy to grip with either hand.

The front features dynamic styling with original-design, modern lights. The optional front foglights set into the bumper ensure excellent visibility in all weather conditions.

External dimensions (mm)

Width	1716
Length	3864

A functional design with a distinctive personality: rounded forms, essential styling and with an imposing front, conveying solidity and safety.

RELAX. YOU'RE AT WORK.

Easily-handled and sturdy on the outside, spacious and comfortable on the inside. The Fiorino doesn't compromise when it comes to comfort. The ergonomic seats and dashboard, trim and equipment have been designed to offer the very best on-board quality of life and to satisfy even the most tireless and demanding workers, like you.

Every dial and indicator on the dashboard is easy to read at a glance and the controls are all within easy reach, allowing you to keep your mind on the job, and your eyes on the road.

The interior design aims for practicality, well-being and safety. The seats are comfortable and wraparound, and they can be adjusted, along with the steering wheel, to suit any driver, thus ensuring the maximum ride comfort.

The passenger seat folds completely flat, flush with the floor, enabling the loading compartment length to be increased by almost 1 metre, and the volume by almost 0.3m³, for the transport of longer items (option).

The various storage compartments and spacious glove compartment provide enough room for all your personal belongings and work documents, and even for your laptop computer.

The handy document tray converts the cab into an extension of your office.

All the equipment, including the hands-free Bluetooth® system, make your journey a pleasurable experience.

Hinged split protection element is not available in Ireland.

IT MAY BE SMALL BUT IT THINKS BIG.
IN COMPLETE SAFETY.

Don't be fooled by its compact exterior: the Fiorino is capable of great things. Beginning with a wonderfully pleasant ride, easy and fluid even in the most demanding situations. Its sparkling, quiet and environmentally-friendly engines offer low fuel consumption and very low maintenance costs. And the Fiorino lacks for nothing when it comes to ensuring your safety, on every journey and on any type of road.

Gutsy performance, easy-handling and great freedom of movement, thanks to a turning circle of only 9.95m.

It is also very fuel-efficient: with the 1.3 MultiJet engine it consumes just over 4.5 litres per 100 km, which means that with a full tank of fuel, it can go for up to 1,000 km without having to stop at a garage.

Running costs are very low, with an oil change needed only every 30,000 km.

Emissions are also extremely low, with CO₂ levels of 119 g/km.

As of today, nothing is impossible any more.

In addition to its standard equipment (driver airbag, ABS with EBD and hydraulic power steering), there are several other safety devices available on request (passenger airbag and sidebags).

The front and rear doors can be locked separately. This means that you can use the loading compartment even when the cab is locked, making for greater safety during loading/unloading operations.

24 MONTH VEHICLE WARRANTY

Your new vehicle has the protection of the Fiat 24 Month Unlimited Mileage Vehicle Warranty.

- (1) This includes free breakdown or accident coverage through Fiat AA Assurance membership.
- (2) New vehicles or separate chassis manufactured by or on behalf of Fiat SpA Turin, Italy and sold by FIAT are the subject of the Warranty.
- (3) Any defect due to faulty materials or workmanship during manufacture which occurs within 24 months of registration will be replaced or repaired free of charge for labour and materials (except fuel) at Fiat's option, if you take your vehicle along to an Authorised Fiat Dealer when the fault occurs.
- (4) If, during the period of the 24 month warranty, your vehicle should be off the road for warranty repair work which exceeds one working day, the repairing authorised Fiat Dealer will provide (subject to availability) a free of charge courtesy vehicle for the duration of the repair.
- (5) The replaced or repaired part will be covered by the unexpired portion of the 24 Month Vehicle Warranty. Should you sell your vehicle the unexpired Warranty will be transferred to a second or subsequent owner.
- (6) Any preliminary advice given by us or one of our dealers concerning the use of a vehicle after the discovery of a defect and before it has been repaired, must be strictly observed. In any event, the vehicle must not be driven in a manner that is likely to worsen the defect or help cause other faults.
- (7) Unless otherwise requested, any allegedly defective parts will be disposed of by Fiat 14 days after notification of Fiat's decision to the owner claiming under this warranty, or in the case of dispute within 14 days of the arbitrator's decision.
- (8) In the event of a dispute as to the rights of either party under this warranty, the matter can be referred to conciliation under the Motor Industry Code of Practice.

3 YEAR PAINTWORK WARRANTY

The Fiat 3 Year Paintwork Warranty

As a vehicle (or separate chassis) manufactured by or on behalf of Fiat Group Automobiles and sold by Fiat, your new vehicle has the protection of the Fiat 3 year unlimited mileage paintwork warranty.

What Are You Covered For?

Any paint defect on body panels which occurs within 3 years of registration will be repaired free of charge for labour and materials, if you take your vehicle along to an authorised FIAT Dealer as soon as possible after the defect occurs.

Any valid unexpired Warranty will be automatically transferred to a second or subsequent owner.

In the event of a dispute as to the rights of either party under this warranty, the matter can be referred to conciliation under the Motor Industry Code of Practice.

Vehicle Care & Maintenance

To comply with the terms of the warranty you must look after your vehicle. In particular you could:

- Not use washing additives containing petroleum or petroleum-based products.
- Clean the vehicle regularly and remove any compacted mud and dirt.
- Have any damage immediately rectified.

8 YEAR ANTI-PERFORATION WARRANTY

Subject to compliance with the terms and conditions of this warranty, Fiat Group Automobiles Ireland Ltd. warrant that for a period of eight years from the date of first registration it will rectify and make good rust-through condition as specified in Section 1 of the handbook. This warranty is in addition to the 24 Month Vehicle and 36 Month Paint warranties.
